## Spread the Word...

We have a few staff positions open at The Country Village. If you know someone that is worthy of joining our team, please send them our way. We are looking for a part-time cook and resident assistant.

## Welcome...

We are pleased to welcome Sam Beck. We've enjoyed having you here with us so far. We look forward to getting to know you and your family!

## Music & Memory at Country Village...

We are excited to be introducing Music & Memory to Country Village. There are many therapeutic benefits to music, especially for those with Memory Loss. Music is linked to our memories and can "awaken" one with Dementia.

Our goal is to create an individualized music playlist for each of our Residents and load their songs onto their own ipod Shuffle. We have explored this with a few Residents already and have seen many positive benefits. As much as we'd like to be able to purchase ipods for all of our Residents, we are not able to; so we are asking families to purchase an ipod shuffle for their loved one if they are interested.

Please contact Markie for more information.

## Goodbye...

We are deeply saddened to say goodbye to Max Koch. We've shared so many fond memories with you. Thanks so much to the families for sharing Max with us. He will be so missed here.
