Other News...

It is with very mixed emotions that I announce that Kathy Blair is retiring. She has worked with me for 22 years. She has been an incredibly loving and kind "caregiver" for the residents, family members and staff. No one can really replace her! Please join us to say good-bye Thursday, February 2nd at 2:30 in the afternoon at The Country House.

A Few Reminders...

- We are trying to keep the cold and flu out of the houses. If you are not feeling well please limit your visits. Also, if you have a loved one in the Day Program that is sick, please keep them at home.
- We have Residents living here at the Country Village with poor safety awareness and a desire to leave. Please do not let someone out the gate that may be seeking assistance. It may be best for you to simply choose another entry.
- The lead caregivers are designated on their name tag. If you have a question about care please direct it to the lead on shift.

Thanks for your understanding.

Welcome...

We would like to take the time to welcome Pat Murphy and John Anderson to the Country Village. We look forward to getting to know you and your family!

Goodbye...

We are deeply saddened to say goodbye to Chuck Loza, Vincent Bellante, Gary Crowe and Marion Palmer. You will be missed dearly. Our hearts go out to the families.
