## Dear Country Village Families and Friends,

**Dear Family Members and Friends,**

**In these challenging times, I find it most helpful to focus on whatever is positive. When I do this, I find the positives far outweigh the negatives in my life.**

**One huge positive is your faith in us to care for your loved one and that you recommend us to others. In these difficult economic times, your choosing our care homes enables us to provide employment for 35 people. Since we are locally owned, we are very concerned about the needs of non-profit organizations in our community. I thought you would like to know which organizations we supported last year:**

- Handi-riders Therapeutic Horseback Riding Program**
- KIXE TV**
- Passages Adult Resource Center**
- Alzheimer's Association**
- Chico Police Officers Association**
- American Lung Association**
- Run for Food – Jesus Center**
- Interdisciplinary Center on Aging – CSUC**
- Bidwell Mansion**

**Thank you for partnering with us to help these organizations. We look forward to another year of many blessings.**

**May you have a peaceful, healthy and joy filled New Year!**

**Lyn**

**Did you know we have the Presto Mail Service! This machine transforms emailed messages and photos into printable, full color e-letters that automatically retrieves messages and prints them out!**

**Ask Christy for the Presto Email Address and your own personal password.**

## The Country Village Welcomes...
