The proceeds go to the Walk to End Alzheimer's.

Activities...

The Country Village would like to wish, Lynn Balmer a very happy birthday this month! On September 12th Lynn will turn 110!

Lynn was born in Chico, but spent a lot of her life in Seattle, WA. She graduated from Chico State in 1927 with a teaching degree. Lynn later served in the US Coast Guard. After the war she taught high school math. Lynn was a very talented figure skater and went on to marry her ice skating partner, Charles Balmer.

We are very Proud to have you here at the Country Village and look forward to celebrating with you!

Just a Friendly Reminder...

Please be mindful when coming and going from both buildings. If someone does not know the code, please do not let them out of the gate. If you can't get in because someone wants out feel free to ring the doorbell and ask for assistance. Thank you for helping keep all of our residents safe!
